### **Your Course**

<b>Your Brunel Student ID:</b>	2372841

<b>Location of Study:</b>	Uxbridge
<b>CAH3 code:</b>	CAH11-01-01 (Computer Science)

<b>Registration Date:</b>	11 September 2023
<b>Teaching will begin on:</b>	18 September 2023
<b>End Date:</b>	19 September 2024
<b>Tuition Fees:</b>	Based on the information you have provided on your application form you have been classed as an Overseas

student for fees purposes. Tuition fees for 2023/4 will be £21,470. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [UKCISA's website](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our current [Student Financial Policy](#) (applicable to all students joining Brunel from 1 September 2022 onwards) on our website.

#### **Payments from Sanctioned Countries**

All payments made to Brunel University London must be compliant with International Sanction laws. It is your responsibility to ensure that you are not breaching any of these laws when making payments to us. For more information, including a list of countries where these sanctions apply, please visit this [webpage](#). If you are resident in a country that is subject to sanctions, we will send you a separate email in due course containing a questionnaire that you must complete. Please note, you will not be permitted to register on your course until you have completed this questionnaire and received a successful review from the Brunel Finance team.

#### **Additional Costs:**

Your course may carry additional course-related costs that you will be required to pay. Please read the '[Additional Costs document](#)' to see if any additional costs apply to your chosen course.

### **Your Offer**

Your offer is conditional on the following:

- Provide a copy of your official Undergraduate degree certificate confirming the qualification and final grade/score you were awarded, as detailed in your course application.
- Obtain a score of 6.5 with no less than 6 in any section in an IELTS test or an equivalent English language qualification, or attend and pass a Brunel English

Language Course (<https://www.brunel.ac.uk/international/language-centre> - please note there is an additional fee for this course).

- Provide a deposit of £5000 or evidence of approved sponsorship or a scholarship of this value (this does not include a scholarship awarded by Brunel University London). Please pay your deposit within 28 days of receiving your offer in order to secure your place. For any deposits paid after this date, places will be reviewed subject to course vacancies. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel. If you are applying for a scholarship, sponsorship or do not think you will be ready to pay your deposit by the deadline, please visit <https://www.brunel.ac.uk/study/admissions/FAQs> for more information.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) as soon as possible. If you will need a Visa to study with us, please note there may not be enough time to issue you with a CAS if you do not send us evidence you have met your conditions in good time, so we advise you do not leave this later than 2 months before your course start date. Please upload colour copies of all documentary evidence to your [my Applications portal](#). If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student Visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student Visa in time to start your course.

If you do require a Student Visa to study in the UK, before we can issue you with a Confirmation of Acceptance for Studies (CAS) to apply for a Student visa we will check that you can meet the UK Student visa requirements. As part of this check we will assess whether you meet the 'academic progression requirements' for a Student visa, as well as your UK immigration history (if applicable). This is to ensure you can make a successful visa application.

This offer is not a guarantee of a CAS being issued and we reserve the right to withhold a CAS if, on rare occasions, we do not believe you can make a valid visa application. If this is the case we will contact you to let you know, and only after you have met any other outstanding conditions to your offer.

### **Registration requirements**

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- A scanned, colour copy of your highest qualification: Bachelor in Computer Engineering at University of Mumbai
- A scanned, colour copy of your English Language qualification: IELTS pending

- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this academic year (any deposit payment you make will count towards this payment).  
If you need help understanding what 40% of your tuition fee would be, if you are joining an Undergraduate, Postgraduate Taught or Research degree programme you can find some guidance on our [website](#). However, please be aware that the information quoted on this page has not taken into account any discounts or scholarships you may be eligible for. Discounts and scholarships will normally be applied to your tuition fee when you register, or very soon afterwards.

## **Your Student Contract**

Please check the details of the offer we are making to you:

1. Is this the course you intended to apply for?
2. Is the mode of attendance correct (full time, part time, sandwich, online, distance learning, study outside of the UK, etc)?
3. Is this the start date you wanted?

If anything is incorrect, please contact us immediately.

**It is important that you read your offer carefully.** We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
- You fail to provide evidence as or if required;  
and/or
- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

We may withdraw your offer of a place and you will not be able to register on the course, or if relevant, we may terminate our contract with you.

By accepting our offer:

- You are agreeing to be subject to the terms and conditions set out in this letter.
- You are agreeing to and certify that you are, on the date of accepting your offer, fully compliant with Brunel University London's Terms and Conditions, Statutes, Council Ordinances and Senate Regulations, and all University rules, policies and procedures in force; in particular, but without limitation, the University's Admissions Policy and the provisions within the policy relating to eligibility for admission. Full details and our Terms and Conditions can be found on our [website](#). You might find the following sections of particular use: the **Student Contract**, **Student Finance**

**Policy** (which includes information about the payment of fees) and the **Student Complaints Procedure**. You should read these before accepting your offer.

- A legal contract is formed between you and the University on the basis of the terms and conditions of your offer that are set out in this letter.

Please review the Admissions Policy [here](#). In accordance with our ongoing process to review and update our policies periodically, this may have been updated since the date of your application.

### **How to accept your offer**

To let us know whether you would like to accept your offer please log into your [my Applications portal](#) and click on the 'Respond to offer' button. We would advise you to accept your offer and pay your deposit as soon as possible in order to secure your place.

#### **\*Limited places available**

In recent years our courses have been in high demand, which means places will be filled on a first-come-first-served basis. With this in mind we encourage you to accept your offer, pay your deposit and meet your offer conditions as soon as possible in order to secure your place. If you do this after your course meets their department limit we may need to defer your place to the next available entry point. Please refer to this [webpage](#) for further information.

### **Your right to cancel your agreement**

You have the right to cancel your contract with us within 14 days of accepting this offer, without giving any reason. The cancellation period will expire after 14 days from the day you accept your offer. To exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. e-mail. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of any fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our [website](#).

### **Further Information**

#### **Student Immigration Information**

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student Visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact [international-admissions@brunel.ac.uk](mailto:international-admissions@brunel.ac.uk).

- **Estimated costs of living**

From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student Visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#). Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student Visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student Visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: <https://www.brunel.ac.uk/international/visas-and-immigration>

**INSTRUCTIONS TO STUDENTS**

---

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20, 2) a valid F-1 visa (unless you are exempt from visa requirements), 3) a valid passport, and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization, 2) severe and unexpected economic hardship, and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days, 2) the end date of your OPT plus 60 days, or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport, 2) a valid F-1 student visa (unless you are exempt from visa requirements), and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school, 2) engage only in authorized employment, and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

---

**INSTRUCTIONS TO SCHOOLS**

---

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

## Offer Notes

### COVID-19 SPECIAL TEMPORARY CONDITIONS

#### Return to face-face delivery for student visa holders in 2023

With Australian international borders re-opening and overseas students once again able to travel to Australia for study, applicants intending to study on a student visa are expected to arrive in Australia and enrol in face-to-face classes to commence study from 2023. This means, online study from your home country will not be available for student visa holders in any academic session in 2023. This practice will be in accordance with an announcement made by the Australian Tertiary Education Quality and Standards Agency (TEQSA) of a return to standard regulatory practices for the mode of delivery to overseas students of Australian qualifications from 1 July 2023.

For more information, visit [www.teqsa.gov.au/how-we-regulate/acts-and-standards/esos-act/esos-act-and-return-compliance-frequently-asked-questions-faqs](http://www.teqsa.gov.au/how-we-regulate/acts-and-standards/esos-act/esos-act-and-return-compliance-frequently-asked-questions-faqs).

When you accept this offer, you will be issued with a Confirmation of Enrolment (CoE) to use to apply for a student visa so that you can travel to Australia to commence your studies. Please visit our [Frequently Asked Questions page](#) for admission and enrolment information.

#### English language requirement - temporary condition has been extended till 31 July 2023

If you have been issued an offer on the basis of meeting the University's English language requirements via any temporary alternative test you acknowledge and agree that this test may not meet the English language requirement for your student visa application to DHA. It will be your responsibility to meet the DHA's requirements. You are reminded that you must have taken the English language test in the 2 years before you apply for a student visa.

#### Overseas Student Health Cover (OSHC)

As a mandatory student visa requirement, the Department of Home Affairs requires all student visa holders to maintain their OSHC for the duration of their student visa. Students who do not maintain their OSHC are at risk of not complying with their visa condition 8501.

If at the end of your study, you have a period of cover that is unused, you can apply to Bupa for a refund, when you evidence your final departure from Australia. For more information, please visit [www.bupa.com.au/health-insurance/cover/overseas-visitors/covid-19-updates-for-overseas-visitors](http://www.bupa.com.au/health-insurance/cover/overseas-visitors/covid-19-updates-for-overseas-visitors).

If you are not covered by Bupa and have OSHC with another provider, please contact the provider for information.

#### Responding to your offer

You can accept, defer or decline your offer by logging into the WSU Online Application System (your agent can also do this on your behalf if required). Accepting your offer requires the provision of any necessary acceptance documents and the payment of the acceptance fee that is outlined in this offer. You must sign and date the Declaration of Acceptance included in this offer letter.

If you wish to defer your offer you may do so for a maximum of 12 months. If you defer for 6 months, please note that not all programs start in the middle of the year. If you defer for 6 months or more you may be subject to different admission requirements and fees than those that applied at the time you deferred. Please note that exchange programs cannot be deferred.

#### Acceptance Deadline

The University encourages you to accept this offer as quickly as possible to secure your place and avoid disappointment. Places in some programs are subject to strict quotas.

#### Applying for a student visa

This offer is conditional upon you being awarded a Bachelor degree (minimum 3 years) with a final cumulative GPA of 6.9 out of 10 or above.

We normally calculate the final overall mark of degrees using the weighted average method. This means that we will take in to account the credit value of all modules (from all years) that have been credited. For module marks that use a range, we will use the mid-point of the range for our final average calculation.

You will need to provide scanned copies of original official documentation to confirm that the qualification has been awarded and satisfies our entry criteria. This should include a full and final official transcript.

If your qualification documents are not in English you will also need to provide official certified translations. All documents provided should be colour scans, either on headed paper or with an institution stamp.

#### \*\*\*ACADEMIC REQUIREMENT\*\*\*

Pass IELTS (Academic) with an overall band score of 6.5 including 6.0 in Writing and 5.5 or above in all other components.

OR Pass an equivalent acceptable English language test found on our web pages:

If you fall slightly below our standard English language requirements, you may consider one of our Pre-session English courses found on our web pages: <https://www.qmul.ac.uk/slif/language-centre/pre-sessional/>

Please note that if you require a Student Route visa (previously Tier 4) to study in the UK, you will need a UK government approved Secure English Language Test (SELT) for entry to pre-sessional courses. Currently, only IELTS for UKVI and Trinity ISE are accepted.

Dear Suved Ganduri,

It gives me great pleasure to inform you that you have been admitted to the Graduate School of Syracuse University. The faculty in Computer Science has recommended that you be admitted for Fall 2023 as a Master of Science student. When communicating with the University about your admission, please refer to your unique, nine-digit Syracuse University identification number (SUID): 643964534.

We have created a web gateway for newly admitted graduate students that addresses pertinent enrollment information, some of which may require immediate action on your part. I encourage you to visit the [Admitted Graduate Students](#) page at the Syracuse University website as soon as possible.

The credentials that you have presented show your qualification to undertake study and research that will be vigorous, stimulating, and, we trust, rewarding for you. Congratulations and welcome to our graduate community, which has been a vital part of the university since its founding in 1870.

By the end of your first semester of study, you must submit an official transcript from your undergraduate institution which must bear the appropriate signatures and seal of the institution that issued it and must be received by Syracuse University in a sealed envelope directly from that institution. Unsealed documents which may have been in the hands of

students are not considered official. After completion of the first semester of graduate study, the Graduate School may prohibit further registration for any student who has not met this requirement. The hold on registration will only be released when this requirement has been met. If you are a domestic student, in accordance with federal Title IV regulations, financial aid will be disbursed to the student account when all financial aid and admission requirements are met, including receipt of official degree bearing transcripts. Please refer to the [Graduate Admission Transcript Requirement](#) web page for additional information.

Sincerely,

Peter A. Venable, Dean of the Graduate School

**INSTRUCTIONS TO STUDENTS**

---

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20, 2) a valid F-1 visa (unless you are exempt from visa requirements), 3) a valid passport, and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization, 2) severe and unexpected economic hardship, and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days, 2) the end date of your OPT plus 60 days, or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport, 2) a valid F-1 student visa (unless you are exempt from visa requirements), and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school, 2) engage only in authorized employment, and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

---

**INSTRUCTIONS TO SCHOOLS**

---

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Your department will notify you of any conditions that may be imposed on your admission or continued enrollment. You may also be required by the International Office to enroll in additional training in English.

25 July 2023

Dear Lincy Louis

**Congratulations!** We are pleased to make you a **conditional offer** to study with Brunel University London from September 2023. Please read this letter carefully as it contains everything you need to know about your offer.

### **Your Course**

**Your Brunel Student ID:** 2372848

**Course Title:** MSc Data Science and Analytics

**Department:** Department of Computer Science

**Mode of Study:** Full-Time

**Location of Study:** Uxbridge

**CAH3 code:** CAH11-01-01 (Computer Science)

**Academic Level:** Masters Degree

**Registration Date:** 11 September 2023

**Teaching will begin on:** 18 September 2023

**End Date:** 19 September 2024

**Tuition Fees:** Based on the information you have provided on your application form you have been classed as an Overseas

student for fees purposes. Tuition fees for 2023/4 will be £21,470. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [UKCISA's website](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our current [Student Financial Policy](#) (applicable to all students joining Brunel from 1 September 2022 onwards) on our website.

#### **Payments from Sanctioned Countries**

All payments made to Brunel University London must be compliant with International Sanction laws. It is your responsibility to ensure that you are not breaching any of these laws when making payments to us. For more information, including a list of countries where these sanctions apply, please visit this [webpage](#). If you are resident in a country that is subject to sanctions, we will send you a separate email in due course containing a questionnaire that you must complete. Please note, you will not be permitted to register on your course until you have completed this questionnaire and received a successful review from the Brunel Finance team.

#### **Additional Costs:**

Your course may carry additional course-related costs that you will be required to pay. Please read the ['Additional Costs' document](#) to see if any additional costs apply to your chosen course.

### **Your Offer**

Your offer is conditional on the following:

- Pass your degree with an average mark of 55% or above.
- You or your Agent must provide us with a copy of your Standard XII transcript that has been verified on, and downloaded from, the Digilocker website. Alternatively, please provide us with an attested copy of your Standard XII transcript from your school.

- Provide a deposit of £5000 or evidence of approved sponsorship or a scholarship of this value (this does not include a scholarship awarded by Brunel University London). Please pay your deposit within 28 days of receiving your offer in order to secure your place. For any deposits paid after this date, places will be reviewed subject to course vacancies. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel. If you are applying for a scholarship, sponsorship or do not think you will be ready to pay your deposit by the deadline, please visit <https://www.brunel.ac.uk/study/admissions/FAQs> for more information.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) as soon as possible. If you will need a Visa to study with us, please note there may not be enough time to issue you with a CAS if you do not send us evidence you have met your conditions in good time, so we advise you do not leave this later than 2 months before your course start date. Please upload colour copies of all documentary evidence to your [my Applications portal](#). If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student Visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student Visa in time to start your course.

If you do require a Student Visa to study in the UK, before we can issue you with a Confirmation of Acceptance for Studies (CAS) to apply for a Student visa we will check that you can meet the UK Student visa requirements. As part of this check we will assess whether you meet the 'academic progression requirements' for a Student visa, as well as your UK immigration history (if applicable). This is to ensure you can make a successful visa application.

This offer is not a guarantee of a CAS being issued and we reserve the right to withhold a CAS if, on rare occasions, we do not believe you can make a valid visa application. If this is the case we will contact you to let you know, and only after you have met any other outstanding conditions to your offer.

### **Registration requirements**

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- A scanned, colour copy of your highest qualification: Bachelor of Engineering in Information Technology at University of Mumbai
- A scanned, colour copy of your English Language qualification: You or your Agent must provide us with a copy of your Standard XII transcript that has been verified on, and downloaded from, the Digilocker website. Alternatively, please provide us with an attested copy of your Standard XII transcript from your school.

- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this academic year (any deposit payment you make will count towards this payment).  
If you need help understanding what 40% of your tuition fee would be, if you are joining an Undergraduate, Postgraduate Taught or Research degree programme you can find some guidance on our [website](#). However, please be aware that the information quoted on this page has not taken into account any discounts or scholarships you may be eligible for. Discounts and scholarships will normally be applied to your tuition fee when you register, or very soon afterwards.

## **Your Student Contract**

Please check the details of the offer we are making to you:

1. Is this the course you intended to apply for?
2. Is the mode of attendance correct (full time, part time, sandwich, online, distance learning, study outside of the UK, etc)?
3. Is this the start date you wanted?

If anything is incorrect, please contact us immediately.

**It is important that you read your offer carefully.** We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
- You fail to provide evidence as or if required;  
and/or
- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

We may withdraw your offer of a place and you will not be able to register on the course, or if relevant, we may terminate our contract with you.

By accepting our offer:

- You are agreeing to be subject to the terms and conditions set out in this letter.
- You are agreeing to and certify that you are, on the date of accepting your offer, fully compliant with Brunel University London's Terms and Conditions, Statutes, Council Ordinances and Senate Regulations, and all University rules, policies and procedures in force; in particular, but without limitation, the University's Admissions Policy and the provisions within the policy relating to eligibility for admission. Full details and our Terms and Conditions can be found on our [website](#). You might find the following sections of particular use: the **Student Contract**, **Student Finance**

**Policy** (which includes information about the payment of fees) and the **Student Complaints Procedure**. You should read these before accepting your offer.

- A legal contract is formed between you and the University on the basis of the terms and conditions of your offer that are set out in this letter.

Please review the Admissions Policy [here](#). In accordance with our ongoing process to review and update our policies periodically, this may have been updated since the date of your application.

### **How to accept your offer**

To let us know whether you would like to accept your offer please log into your [my Applications portal](#) and click on the 'Respond to offer' button. We would advise you to accept your offer and pay your deposit as soon as possible in order to secure your place.

#### **\*Limited places available**

In recent years our courses have been in high demand, which means places will be filled on a first-come-first-served basis. With this in mind we encourage you to accept your offer, pay your deposit and meet your offer conditions as soon as possible in order to secure your place. If you do this after your course meets their department limit we may need to defer your place to the next available entry point. Please refer to this [webpage](#) for further information.

### **Your right to cancel your agreement**

You have the right to cancel your contract with us within 14 days of accepting this offer, without giving any reason. The cancellation period will expire after 14 days from the day you accept your offer. To exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. e-mail. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of any fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our [website](#).

### **Further Information**

#### **Student Immigration Information**

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student Visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact [international-admissions@brunel.ac.uk](mailto:international-admissions@brunel.ac.uk).

- **Estimated costs of living**

From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student Visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#). Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student Visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student Visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: <https://www.brunel.ac.uk/international/visas-and-immigration>

Dear Mrunmai Prakash Musale,

Congratulations! I am pleased to inform you that the admissions committee in Information Systems has admitted you into their program for Fall 2023 as a Master of Science student.

Your next step in the admission process is to submit supporting documents as evidence of adequate funding in order to receive your visa forms. You will need to show evidence of having secured sufficient funding for at least the first year of graduate study.

- **Privately sponsored applicants.** Acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating the amount of sufficient funds that exist to meet at least first-year expenses.
- **Government-sponsored applicants.** An original award letter (or a certified copy of an award letter) must be submitted and state the annual amount of the award in U.S. dollars.
- **Educational loans.** Sanctioned loans are acceptable for submission as proof of financial support. Sanctioned loan letters must be accompanied by terms and conditions and clearly indicate the loan as "approved" or "sanctioned." The letter must be in English and on official bank or institution letterhead. The principal of the loan amount given is to be provided in U.S. dollars and include a date of issuance.

**All financial documents must be written in English and valid within one year of the start of the semester.** When sending documentation of adequate funding, photocopies of financial documents are acceptable, and can be emailed to [grad@syr.edu](mailto:grad@syr.edu). Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number 259761726 on all documents you send.

The cost of one year (twelve months) at Syracuse University is determined based on the number of credits your program expects you to take, your living habits, cost of living changes and possible changes in tuition and fees. On the [Cost of attendance for graduate students - Syracuse.edu](#) webpage you will find the "estimated cost" of attendance, including all university costs and living expenses for one year of study.

If you have questions about your admission, please direct them to the Information Systems program department. When communicating with the University about your application, please refer to your unique, nine-digit Syracuse University identification number (SUID): 259761726.

We look forward to receiving your financial documents and welcoming you to our graduate community.

Sincerely,

Peter A. Venable, Dean of the Graduate School

Dear Shivam Prashant Bhosale,

Congratulations! I am pleased to inform you that the admissions committee in Computer Science has admitted you into their program for Fall 2023 as a Master of Science student. I am doubly pleased to be able to inform you that you have been selected to receive a Graduate Student Grant. This grant will cover 20% of your tuition costs through completion of the master's program in Computer Science. Congratulations on this additional distinction!

Your next step in the admission process is to submit supporting documents as evidence of adequate funding in order to receive your visa forms. You will need to show evidence of having secured sufficient funding for at least the first year of graduate study.

- **Privately sponsored applicants.** Acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating the amount of sufficient funds that exist to meet at least first-year expenses.
- **Government-sponsored applicants.** An original award letter (or a certified copy of an award letter) must be submitted and state the annual amount of the award in U.S. dollars.

- **Educational loans.** Sanctioned loans are acceptable for submission as proof of financial support. Sanctioned loan letters must be accompanied by terms and conditions and clearly indicate the loan as "approved" or "sanctioned." The letter must be in English and on official bank or institution letterhead. The principal of the loan amount given is to be provided in U.S. dollars and include a date of issuance.

**All financial documents must be written in English and valid within one year of the start of the semester.** When sending documentation of adequate funding, photocopies of financial documents are acceptable, and can be emailed to [grad@syr.edu](mailto:grad@syr.edu). Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number 268919718 on all documents you send.

The cost of one year (twelve months) at Syracuse University is determined based on the number of credits your program expects you to take, your living habits, cost of living changes and possible changes in tuition and fees. On the [Cost of attendance for graduate students - Syracuse.edu](#) webpage you will find the "estimated cost" of attendance, including all university costs and living expenses for one year of study.

If you have questions about your admission, please direct them to the Computer Science program department. When communicating with the University about your application, please refer to your unique, nine-digit Syracuse University identification number (SUID): 268919718.

We look forward to receiving your financial documents and welcoming you to our graduate community.

Sincerely,

Peter A. Vanable, Dean of the Graduate School

You are required to abide by such changes whilst you are a registered student.

## Payment of Tuition Fees

4. Tuition fees are payable annually in advance.<sup>[1]</sup> Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided by a sponsor acceptable to the University on your behalf in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration. You cannot abrogate this personal liability to your sponsor.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not

increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

6. For some part time taught courses the tuition fee comprises an annual registration fee and a fee for each taught module. The first year's registration fee must be paid on or before initial registration and thereafter on an annual basis at the beginning of each year of study. Fees for each taught module will be invoiced individually when the module is attended.
7. For some research courses, an Additional Fee Element will be payable in addition to the published research tuition fee. The Additional Fee Element covers additional costs associated with, for example; programme management support, support from specialist laboratory technicians, access to specific technical equipment, facilities and analytic equipment. The Additional Fee Element, where applicable, will be outlined in the course offer letter and must be paid on an annual basis at the beginning of each year of study.
8. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at [www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding](http://www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding).
9. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
10. The tuition fee does not include accommodation costs, or materials required of you for your private study.
11. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
12. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee, save at the discretion of the University as provided for in the Student Protection Plan. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.
13. A deposit may be required to secure a place on some courses following acceptance of offer. Details of which courses require a deposit can be found on our web pages and are outlined in the course offer letter. Deposits will be offset against the tuition fee and are usually non-refundable, except in certain circumstances outside of a student's control. Guidance on the circumstances in which the University is able to refund a deposit can be found at [www.cranfield.ac.uk/study/taught-degrees/fees-and-funding](http://www.cranfield.ac.uk/study/taught-degrees/fees-and-funding).
14. For Level 7 Apprenticeships (Masterships®), levy paying employers may use their apprenticeship service account to fund your training course, up to the funding band maximum. Non-levy paying employer accepted by the University, may arrange co-investment whereby the employer pays a percentage of your training course, up to the funding band maximum, with the remainder being financed by the Government. All employers, whether levy paying or non-levy paying are liable to pay to Cranfield University any amount charged which are above the funding band maximum (Top-up Fees), as well as any payment for the re-sit of your end-point assessment (if required) and/or any fees incurred by the End-Point Assessment Organisation in relation to such re-sit. Please note that your employer must connect to the Education and Skills Funding Agency (ESFA) Digital Apprenticeship Service (DAS) by a specific cut-off date to be advised upon by the University at a later date and shall be liable for the full or part of your training fee which cannot be recovered by the University from the ESFA. Further information with regards to financing an apprenticeship can be found at <https://www.cranfield.ac.uk/about/masterships/employers-financing>. You and your employer must observe the ESFA Funding Rules during the whole period of your training - <https://www.gov.uk/guidance/apprenticeship-funding-rules>. The ESFA requires the establishment of an agreement between the employer and the University. We therefore require that your employer signs our Mastership Agreement, which sets out our relationship. The ESFA also requires the establishment of a tripartite Commitment Statement between your employer, you and the University; and an Apprenticeship Agreement between yourself and your employer. The University require a signed copy of all such agreements before the start of the training. Copies of our legal forms are available for

consultation at <https://www.cranfield.ac.uk/about/masterships/masterships-courses>.

## Other Expenses

15. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration in your offer letter. Any offer of a Post Graduate Research Studentship is subject to the acceptance of the University's studentship terms and conditions.

## Intellectual Property Rights

16. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
17. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.<sup>[2]</sup> The University will not withhold permission to publish your work unreasonably.

## Duration of Study

18. The dates in your offer letter indicate the 'defined period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students and students taking short courses for credit, this represents the maximum period of time within which the University would normally have expected you to complete all elements of the course. An extension to the period of study will always incur additional tuition fees (see paragraph 8).
19. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

## Period of Offer

20. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 21, 22, 23 and 27).

## Withdrawal of Offer

21. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
22. The University may withdraw the offer if a deposit required to secure a place on the course is not paid by the deadline outlined in the course offer letter.
23. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This may happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory

environments, including UK government public health advice, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

## Right to Cancel

24. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded. After that date any deposit paid may be forfeit subject to the discretion of the University.

## Proof of Identity and Qualifications

25. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

## Permission to Study in the UK

26. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

## Permission to Study at the Shrivenham Campus

27. If you have applied for a course at the Shrivenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence (MOD) site. This will also apply to any modules or part-modules at the Shivenham campus that are otherwise part of courses mainly delivered at the Cranfield campus. Generally this clearance is in line with the national BPSS<sup>[3]</sup> protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. In the case of courses delivered at the Cranfield campus, it may result in a reduction of the choice of modules available. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

## Data Protection

28. The University will need to process your personal information (whether supplied by you or by third parties) to process your offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
29. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate General Student Handbook. This includes further detail on data sharing with other bodies.

## Support for Students with Disabilities or Learning Difficulties

30. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

## Proper Law and Jurisdiction

31. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

## Changes to the Advertised Academic Provision

32. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
33. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

## Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

35. Nothing in these terms shall limit the University's liability to you:
  1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);

References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

36. Subject to paragraph 35 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
37. For the purposes of paragraphs 35 and 36 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.
38. Neither you nor the University shall be liable to the other arising from matters outside of your or the University's control and which could not have been foreseen or prevented even if you or the University had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.

# Accompanying Information and Conditions of Offer

## University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
  1. the provisions of all the Laws of the University that concern registered students
  2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
  3. the terms and conditions of this document ('these terms')

**You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.**

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
  1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
  2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

[www.cranfield.ac.uk/about/governance-and-policies](http://www.cranfield.ac.uk/about/governance-and-policies)

The General Student Handbook along with other Senate Handbooks can be found at:

[www.cranfield.ac.uk/about/governance-and-policies/quality-assurance](http://www.cranfield.ac.uk/about/governance-and-policies/quality-assurance)

The University's Student Protection Plan can be found at:

[www.cranfield.ac.uk/studentprotectionplan](http://www.cranfield.ac.uk/studentprotectionplan)

Please note that the Laws of the University, the General Student Handbook, the Student Protection Plan and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the University and the student experience. You are required to abide by such changes whilst you are a registered student.

## Payment of Tuition Fees

4. Tuition fees are payable annually in advance.<sup>[1]</sup> Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided by a sponsor acceptable to the University on your behalf in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration. You cannot abrogate this personal liability to your sponsor.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not

increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

6. For some part time taught courses the tuition fee comprises an annual registration fee and a fee for each taught module. The first year's registration fee must be paid on or before initial registration and thereafter on an annual basis at the beginning of each year of study. Fees for each taught module will be invoiced individually when the module is attended.
7. For some research courses, an Additional Fee Element will be payable in addition to the published research tuition fee. The Additional Fee Element covers additional costs associated with, for example; programme management support, support from specialist laboratory technicians, access to specific technical equipment, facilities and analytic equipment. The Additional Fee Element, where applicable, will be outlined in the course offer letter and must be paid on an annual basis at the beginning of each year of study.
8. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at [www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding](http://www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding).
9. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
10. The tuition fee does not include accommodation costs, or materials required of you for your private study.
11. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
12. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee, save at the discretion of the University as provided for in the Student Protection Plan. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.
13. A deposit may be required to secure a place on some courses following acceptance of offer. Details of which courses require a deposit can be found on our web pages and are outlined in the course offer letter. Deposits will be offset against the tuition fee and are usually non-refundable, except in certain circumstances outside of a student's control. Guidance on the circumstances in which the University is able to refund a deposit can be found at [www.cranfield.ac.uk/study/taught-degrees/fees-and-funding](http://www.cranfield.ac.uk/study/taught-degrees/fees-and-funding).
14. For Level 7 Apprenticeships (Masterships®), levy paying employers may use their apprenticeship service account to fund your training course, up to the funding band maximum. Non-levy paying employer accepted by the University, may arrange co-investment whereby the employer pays a percentage of your training course, up to the funding band maximum, with the remainder being financed by the Government. All employers, whether levy paying or non-levy paying are liable to pay to Cranfield University any amount charged which are above the funding band maximum (Top-up Fees), as well as any payment for the re-sit of your end-point assessment (if required) and/or any fees incurred by the End-Point Assessment Organisation in relation to such re-sit. Please note that your employer must connect to the Education and Skills Funding Agency (ESFA) Digital Apprenticeship Service (DAS) by a specific cut-off date to be advised upon by the University at a later date and shall be liable for the full or part of your training fee which cannot be recovered by the University from the ESFA. Further information with regards to financing an apprenticeship can be found at <https://www.cranfield.ac.uk/about/masterships/employers-financing>. You and your employer must observe the ESFA Funding Rules during the whole period of your training - <https://www.gov.uk/guidance/apprenticeship-funding-rules>. The ESFA requires the establishment of an agreement between the employer and the University. We therefore require that your employer signs our Mastership Agreement, which sets out our relationship. The ESFA also requires the establishment of a tripartite Commitment Statement between your employer, you and the University; and an Apprenticeship Agreement between yourself and your employer. The University require a signed copy of all such agreements before the start of the training. Copies of our legal forms are available for

consultation at <https://www.cranfield.ac.uk/about/masterships/masterships-courses>.

## Other Expenses

15. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration in your offer letter. Any offer of a Post Graduate Research Studentship is subject to the acceptance of the University's studentship terms and conditions.

## Intellectual Property Rights

16. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
17. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.<sup>[2]</sup> The University will not withhold permission to publish your work unreasonably.

## Duration of Study

18. The dates in your offer letter indicate the 'defined period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students and students taking short courses for credit, this represents the maximum period of time within which the University would normally have expected you to complete all elements of the course. An extension to the period of study will always incur additional tuition fees (see paragraph 8).
19. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

## Period of Offer

20. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 21, 22, 23 and 27).

## Withdrawal of Offer

21. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
22. The University may withdraw the offer if a deposit required to secure a place on the course is not paid by the deadline outlined in the course offer letter.
23. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This may happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory

environments, including UK government public health advice, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

## Right to Cancel

24. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded. After that date any deposit paid may be forfeit subject to the discretion of the University.

## Proof of Identity and Qualifications

25. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

## Permission to Study in the UK

26. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

## Permission to Study at the Shrivenham Campus

27. If you have applied for a course at the Shrivenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence (MOD) site. This will also apply to any modules or part-modules at the Shivenham campus that are otherwise part of courses mainly delivered at the Cranfield campus. Generally this clearance is in line with the national BPSS<sup>[3]</sup> protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. In the case of courses delivered at the Cranfield campus, it may result in a reduction of the choice of modules available. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

## Data Protection

28. The University will need to process your personal information (whether supplied by you or by third parties) to process your offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
29. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate General Student Handbook. This includes further detail on data sharing with other bodies.

## Support for Students with Disabilities or Learning Difficulties

30. If you think that you are likely to require any support because of a disability and/or learning difficulty while you are on the course, you are strongly advised to contact the University for further advice or guidance. All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

## Proper Law and Jurisdiction

31. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

## Changes to the Advertised Academic Provision

32. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
33. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 34 below.
34. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments including UK government public health advice), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

## Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

35. Nothing in these terms shall limit the University's liability to you:
  1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);
  2. for fraud or fraudulent misrepresentation;
  3. under the Equality Act 2010;
  4. under section 57 of the Consumer Rights Act 2015.

References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

36. Subject to paragraph 35 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
37. For the purposes of paragraphs 35 and 36 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.
38. Neither you nor the University shall be liable to the other arising from matters outside of your or the University's control and which could not have been foreseen or prevented even if you or the University had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.

[1] This statement does not apply where payments are made by sponsors who have made alternative arrangements with the University. This includes Military Students attending Cranfield Defence and Security and some other partners.

## PLEASE READ THE INSTRUCTIONS BELOW REGARDING THE ADMISSIONS PROCESS

### Accepting your Offer

All offers are issued through the my.tcd.ie portal. The offer message will be located in the "All In-Tray Messages" section. Please select the message and follow the 'Offer Acceptance' link provided. In order to accept the offer, you must pay a deposit of € 500.00. Fee payment guidelines are set out below.

### Study Visa

If you are a citizen of a country listed on this webpage — <https://www.irishimmigration.ie/coming-to-study-in-ireland/>, you will need a Study Visa to come to Ireland, and we recommend that you begin the visa application process as soon as possible.

Detailed guidance for Study Visa applications is provided here — <https://www.tcd.ie/study/international/before-arrival>

Please also note that non-EU applicants, whether they are visa required or not, are typically not granted permission to remain in Ireland to pursue a Part-Time course of study unless they are in possession of EU residency rights or have an alternative immigration status beyond that of a student. Student status for non-EU applicants is typically reserved for those pursuing a Full-Time course of study.

### Registration and Arrival

Registration will open in early August. A communication will be sent to the email address you used in your application, inviting you to register on my.tcd.ie. Please ensure that your email and mailing address in the my.tcd.ie portal are correct. Once you register, your registration will be effective from 1 September 2023. Information on orientation week can be found on the orientation website <https://www.tcd.ie/students/orientation/>. Orientation will take place during the week beginning 4th September 2023. **You are advised to contact your course office directly for details of your lecture timetable and any other orientation events. Contact details can be found on the following course web page:**

[www.tcd.ie/courses/postgraduate/faculty](http://www.tcd.ie/courses/postgraduate/faculty)

Please note that it will be a requirement to register annually for each year of your course of study, if the course duration is longer than one year.

Please find all of the University's policies and procedures, including Trinity's Child Protection Policy and Child Safeguarding Statement, at the following link: <https://www.tcd.ie/about/policies/>.

### Health Insurance

Non-EU students are required to have health insurance prior to registration, and maintain cover for the period of their studies. During the online registration process, non-EU students must provide the name of their health insurance provider and current health insurance policy number. The collection of the health insurance policy number is for validation purposes only. Some suggested insurance providers are listed on the Trinity web page below.
