Mr. Anand Mehta was the main resource person. He held an interactive session with the audience and discussed the idea of being an entrepreneur and what it takes to succeed as one. Through a fun activity, he showed that one has to break the traditional barriers of thinking and go beyond to succeed. In another activity, the audience was told to pair up and get to know a new person and draw his facial features. The idea of breaking the social shyness and opening up to new people was the motive behind this activity.
