2D GRAPHICS with Illustrator and Photoshop Workshop

The Information Technology Students' Association (ITSA) had organised 2D Graphics Workshop using Adobe Illustrator and Photoshop. The details of the programme are as follows:

- Date: - 8th February, 2020
- Time: - 9:00 - 16:00
- Venue: - TPO Room (114)
- No. of Participants: - 13

- Entry fee   -Rs. 100

- Resource Person   - Ms. Priya Menezes

- Software used   -Photoshop and Illustrator

Ms. Priya Menezes, UX strategist and designer at CIO Accenture joined us in the hands-on workshop on 2D Graphics using Adobe Illustrator and Photoshop.A 45 minute introduction on the creative process was provided, followed by 90 minutes of Photoshop and 90 minutes of Illustrator practise. Basic introduction of the tools in the framework was given, with a mini-project to work on. An hour long QA session was taken to address the questions of the students based on real life job applications of 2D and environment.

The workshop focused on the following key points:
- Basics and concepts related to Photoshop and Illustrator.
- Making of a 2D mini-project.
- Tips and Tricks to add 2D animations to your own ideas and projects.
- Discussion on job applications and future scope in 2D.

The interaction of the students and the resource person was appreciable and there was a good feedback from both sides.
