GRAPHICS WITH BLENDER 3D WORKSHOP

The ITSA had organized a workshop on Graphics with Blender 3D for the FE, SE, TE and BE students of all the departments. The details of the workshop are as follows:

- Resource Person -Mr. Jervis Dias and Mr. Karan Surve
- Date -18th January,2020
- Time -10:00am to 5:00pm
- Venue -ARC center(Room 128)
- No of Participants -18
- Entry Fee -Rs 150 per person
- Software installed -Blender

The ITSA had conducted a peer learning workshop on Graphics with Blender 3D which was addressed by Mr. Jervis Dias, the Public Relations Head and Mr. Karan Surve, the web executive of ITSA. Participants were asked to get their own laptops and were told to download the applications required for the workshop. Blender is a free and open-source 3D computer graphics software toolset used for creating animated films, visual effects, art, 3D printed models, motion graphics, interactive 3D applications, and computer games. Blender's features include 3D modeling, UV unwrapping, texturing, raster graphics editing, rigging and skinning, fluid and smoke simulation, particle simulation etc.

The workshop focused on the following key points:

- Basics and concepts related to Blender 3D.
- Making of a 3D animation from 2D.
- Tips and Tricks to add 3D animations to your own ideas and projects.

Students learnt how to sculpt, simulate texture and animate their 3D animations. At 1:00pm a short break was given and refreshments were provided to all the participants. The workshop concluded with a doubt clearing session. It was an interactive workshop which was well appreciated by all the participants.
