

St. Francis Institute of Technology

IQAC Vision, Objectives, Strategies, and Functions

VISION OF IQAC:

To develop an internal quality assurance system for sustenance, assurance and enhancement of the quality culture of institution through competent and inclusive strategies that meet diverse needs of stakeholders.

OBJECTIVES OF IQAC:

- To develop quality initiatives that consistently give impetus to the academic and administrative performance of the institution
- To nurture and enhance a quality culture in all institutional practices through an effective organized approach

STRATEGIES OF IQAC:

IQAC shall evolve mechanisms and procedures for:

1. Ensuring timely, effective and progressive implementation of academic and administrative activities
2. Ensuring credibility of assessment, evaluation and action to be taken for improvement of academic processes
3. Equitable access to academic programs for various sections of society
4. Implementation of value-added/ add-on courses to provide guidance for competitive exams and fill the gap in academics and industry
5. Provide a platform for generation of entrepreneurs and starts up
6. Focusing on consistent high standards of academic/ research programs
7. Ensuring quality initiatives/ activities to nurture human values, social responsibilities and global competencies

FUNCTIONS OF IQAC:

1. Ensuring application of quality standards and parameters within all levels of the academic and administrative departments
2. Ensuring the use of latest knowledge and technology required for quality higher education
3. Promoting advancement of a learner-centric environment, and quality faculty development programs
4. Collecting and analyzing feedback received from all stakeholders on all quality-related institutional processes

5. Evolving ways to disseminate information related to quality management to all stakeholders
6. Organizing inter and intra institutional workshops and seminars related to quality enhancement and promotion of quality circles
7. Ensuring systematic documentation of all program/activities leading to proper monitoring for enhancement of quality
8. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
9. Maintaining the existent institutional database through (MIS) ERP for continuous improvement of quality and performance of our institution
10. Conducting Academic and Administrative Audit and its regular follow-up
11. Preparing and submitting the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC
