Word of the Day and Vocational Voyager

ST. FRANCIS INSTITUTE OF TECHNOLOGY
(ENGINEERING COLLEGE)
Autonomous Institute
WORD OF THE DAY
30/07/2024

WORD : DEBACLE

MEANING: Debacle is usually used synonymously with fiasco to mean “a complete failure.” It can also refer to a great disaster (though typically not one that causes significant suffering or loss).

USAGE: After the debacle of his first novel, he had trouble getting a publisher for his next book

Learning and Information Resource Centre has launched an innovative new service designed to enhance our readers' engagement and learning experiences. This initiative aims to provide a comprehensive suite of resources tailored to meet the diverse needs of our audience.

At the Word of the Day and Vocational Voyager, we are committed to fostering a learning environment that is both enriching and accessible. This new service reflects our dedication to supporting lifelong learning and professional development for all our readers. We believe that with the right resources and opportunities, everyone can achieve their full potential.

Welcome New Staff

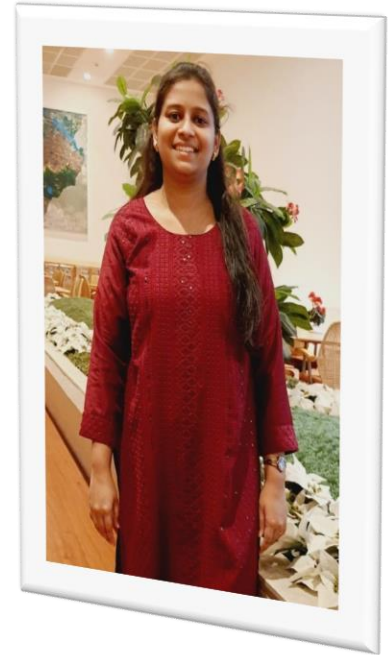

We are pleased to announce that **Mrs. Rupali Sawant** has joined the **St. Francis Institute of Technology Library** as our new Assistant Librarian, effective January 15, 2024. Mrs. Rupali Sawant brings a wealth of experience and expertise to our team, having a strong background in library management and information services. Her knowledge and skills will be a tremendous asset as we continue to enhance our library's services and support the academic community.

Internship at our LIRC

Ms. Akshata Dethé, a dedicated intern from the SHPT School of Library and Information Science, has successfully completed her internship at the St. Francis Institute of Technology Library from 04/03/2024 to 24/04/2024. As part of her Master's program in Library Science, Akshata was required to complete a rigorous 200-hour internship, a milestone she achieved with commendable dedication.

During her time at St. Francis Institute of Technology Library, Akshata was involved in a range of activities that provided her with hands-on experience in library management and operations.

Book Bank Services

➤ University Book Bank

*Our Institute has received a grant of Rs. 14,100.00 from the University of Mumbai on May 25, 2024. This funding is allocated under the SC/ST/NT Book Bank Scheme.
Total Books in University Book Banks = 16 as on 30/06/2024*

➤ Institute Book Bank

A Library providing a book bank facility can be beneficial for students, especially in engineering where textbooks can be quite expensive. It helps students access necessary resources without the financial burden of purchasing new books every semester. Book banks often include a collection of textbooks that students can borrow for the entire Semester.

Our Institute Book Bank has a separate collection of 1500 books other than the library books. This facility is extended to students from FE to BE every semester. This facility is being offered to students since the year 2005.
